

Dr. Matthew Antonucci

PHYSICIAN | EDUCATOR | RESEARCHER

Profile

Dr. Antonucci is an experienced chiropractic neurologist, functional neurology practitioner, researcher, and international lecturer with over a decade of clinical experience. He proudly has participated in the health transformation of thousands of patients with complex neurological conditions and performance challenges, through the prescription and administration of client-specific neurological rehabilitation programs. He is a highly sought-after speaker who has delivered thousands of hours of education, to tens of thousands of healthcare providers both domestically and internationally and has authored a number of peer-reviewed publications. He is a loving husband and the father of five amazing boys, whom he hopes to inspire to follow in his footsteps.

Certifications

Fellow of the American Board of Brain Injury and Rehabilitation (FABBIR)

JUNE 2015 – PRESENT

Fellow of the American Board of Nutrition and Neurochemistry (FABNN)

JUNE 2013 – PRESENT

Fellow of the International College of Chiropractic (FICC)

OCTOBER 2012 – PRESENT

Fellow of the American Board of Vestibular Rehabilitation (FABVR)

APRIL 2012 – PRESENT

Fellow of the American Board of Childhood Developmental Disorders (FABCCDD)

JUNE 2011 – PRESENT

Fellow of the American College of Functional Neurology (FACFN)

FEBRUARY 2009 – PRESENT

CPR and Basic Life Support

JANUARY 2007 – PRESENT

Postgraduate Education

Postdoctoral Fellowship, Atlanta, GA

JANUARY 2012 – APRIL 2014

For 2 years, I served as a fellow under the auspice of Professor Frederick R. Carrick, focusing on rehabilitation strategies with multiple subsets of patients, including traumatic brain injuries, movement disorders, balance disorders, learning, and developmental disorders, acquired brain injuries, neurodegenerative conditions, and athletic performance enhancement.

Postgraduate Training, Apex Energetics

JANUARY 2008 – JANUARY 2010

Completed all offered courses, multiple times, on patient diagnosis, supplementation and treatment of nutritionally based diseases.

- Functional blood chemistry analysis
- Functional endocrinology
- Thyroid disorders
- Neurotransmitter supplementation
- Immunology.

Postgraduate Training, Life University

JANUARY 2006 – DECEMBER 2009

Completed training in:

Details

8910 Astronaut Blvd, Suite 102
Cape Canaveral, FL, 32920
United States

Professional Licenses

Chiropractic, Florida

OCTOBER 2015 – PRESENT

Chiropractic, Colorado

JANUARY 2019 – PRESENT

Chiropractic, Utah

JANUARY 2015 – PRESENT

Chiropractic, Georgia

AUGUST 2013 – DECEMBER 2015

Chiropractic, South Carolina

JANUARY 2010 – DECEMBER 2013

Memberships/Affiliations

Vagus Nerve Society (Charter Member), Global

APRIL 2022 – PRESENT

The VNS is a cross-discipline, cross-specialty, cross-cultural, and international society to explore the involvement of the vagus nerve in health and disease. It is intended to be a platform for scientists and clinicians alike to compare notes and advance the care of patients who may have dysfunction of the vagus nerve.

University of Central Florida College of Medicine Dean's Society, Orlando, FL

APRIL 2018 – PRESENT

The Dean's Society is a select group of scientists, physicians, and community leaders discussing the College's initiatives in medical education, biomedical research, and patient care.

National Neurotrauma Society, Vancouver, BC

MARCH 2018 – PRESENT

The National Neurotrauma Society is committed to the promotion of neurotrauma research by enhancing communications, providing a forum, and increasing support on the national and international level.

The NNS seeks to accelerate research that will provide answers for clinicians and ultimately improve the treatments available to patients.

American Academy of Neurology, Minneapolis, MN

JULY 2020 – PRESENT

Founded in 1948, the AAN now represents more than 38,000 members and is dedicated to promoting the highest quality patient-centered care and enhancing member career satisfaction in neurology.

American Chiropractic Association, Arlington, VA

JANUARY 2008 – PRESENT

The American Chiropractic Association The American Chiropractic Association (ACA) is the largest professional chiropractic organization in the United States.

We are leading our profession by working hand in hand with other health care professionals, by lobbying for pro-chiropractic legislation and policies, by supporting meaningful research, and by using that research to inform our treatment practices.

Florida Chiropractic Association, Oakland, FL

OCTOBER 2015 – PRESENT

Founded in 1931, the FCA has grown to become the largest state chiropractic association, with a mission to motivate pivotal legislative victories, fight the consuming legal struggles, celebrate personal achievements, and fulfill the dreams of chiropractors in the state of Florida.

Appointments

Advisory Board, Carrick Institute

JANUARY 2021 – PRESENT

Provide insight, guidance, and assistance to the organization on the creation, fulfillment, and refinement on their higher education offerings in the field of neurology.

Adjunct Clinical Faculty, Life University College of Chiropractic

APRIL 2018 – PRESENT

Specialties Task Force Member, Federation of Chiropractic Licensing Board

OCTOBER 2017 – JANUARY 2021

Editorial Contributor, Elsevier: Clinical Biomechanics

OCTOBER 2017 – JANUARY 2021

Analyze and review manuscripts being submitted for publication

Board Member, American Board of Chiropractic Specialties (ABCS)

MAY 2017 – MAY 2022

This 5-year appointment allowed me to aid in the establishment of the highest accreditation standards across all chiropractic diplomate programs. I was instrumental in guiding the American Chiropractic Association's board of governors and staff in understanding where each diplomate board stood in meeting the standards. I was able to profoundly influence and assist diplomate boards to strive to achieve standards adopted by the American Chiropractic Association.

- Assist ACA-recognized specialty councils and specialty certification-boards
- Promote quality and efficiency in the process of evaluating and certifying doctors of chiropractic
- Coordinate and collaborate with the leadership of ACA specialty councils and specialty certification boards
- Ensure high-quality and properly accredited continuing education and professional development programming

Adjunct Clinical Faculty, Palmer Chiropractic College

JANUARY 2017 – PRESENT

Provide a supportive environment to enhance student learning and skills acquisition/development, in a setting that is based on a successful, high-quality practice

Executive Board Member, American Board of Brain Injury and Rehabilitation

AUGUST 2016 – PRESENT

President (2016/08 - Present)

Vice President (2016/03- 2016/08)

- Establish fellowship criteria
- Establish a code of conduct
- Perform job analysis
- Oversee board examination creation and validation
- Oversee board examination administration
- Chair board meetings

Board Member, Carrick Institute Institutional Review Board (IRB)

JANUARY 2015 – PRESENT

- Apply research ethics by reviewing the methods proposed for research to ensure that they are ethical
- Approve (or reject), monitor, and review biomedical and behavioral research involving humans
- Conduct risk-benefit analysis in an attempt to determine whether or not research should be completed
- Assure that appropriate steps are taken to protect the rights and welfare of humans participating as subjects in a research study

Vice-President, ACA Council on Neurology

JANUARY 2015 – JANUARY 2020

- Recruit membership
- Serve the council in a leadership role
- Oversee council finances
- Attend council-affiliated events
- Create and enforce council rules and regulations

Editorial Contributor, Frontiers: Public Health, Neurology

APRIL 2014 – PRESENT

Planning Committee Member, International Association of Functional Neurology and Rehabilitation

JANUARY 2010 – MARCH 2014

- Aided in marketing
- Recruited attendees as well as vendors
- Captured A/V of the conventions
- Created the logo for the association
- Designed the cover for the association's research journal

Board Member (Alternative Care Consultant), Nathan's Friends

MARCH 2010 – JUNE 2014

- Present and educate the board and the members on current alternative therapies for managing Autism and its comorbidities
- Determined what therapies our group will publicly endorse

Student Delegate, American Chiropractic Association

2008 – 2009

Leadership Roles, Life Functional Neurology Club

JANUARY 2006 – JUNE 2009

Neurology Club Vice-President

Advanced Club President and Founder

- Primary lecture leader for 2.5 years in both clubs
- Generated lecture topics, multimedia presentations, and assured that the information that was being presented was accurate, clinically relevant, and simplified manner
- Created and maintained the Neurology Club website as a reference source for both students and practitioners
- Created and administered the qualification examination for admission to the Advanced Neurology Club
- Accomplishment: Increased Neurology Club attendance 1550% (6 attendees to 93 attendees) in 2 years

Supplemental Instructor, Life University College of Chiropractic

JANUARY 2006 – JANUARY 2007

- Assist with cadaver dissection and pro-section

- Review and instruct fellow students on the identification and physiology of Gross Human Anatomy in the cadaver laboratory
- 10 hours/ week

Employment History

President and Clinician, NeuroSynergy Associates, PA, Rockledge, FL

APRIL 2014 – PRESENT

Orlando, FL

In Active Practice: Successfully treated approximately 4,000 complex neurological conditions from around the world

- Develop clinical care guidelines and algorithms for treating complex neurological conditions
- Develop and implement strategies to efficiently and effectively deliver, and track clinical care and outcomes
- Create and oversee practice marketing
- Manage a team of highly-trained clinicians and therapy assistants

Adjunct Professor of Neurology, Carrick Institute

JANUARY 2010 – PRESENT

Associate Professor of Clinical Neurology (2013- Current)

Assistant Professor of Clinical Neurology (2010- 2013)

- Develop educational programs that meet the eligibility criteria for the American Board of Chiropractic Neurology examination
- Deliver 1, 2, 6, 8, 15, and 25-hour lectures both domestically and internationally, to healthcare students and professionals
- Approximately 350 hours of lectures developed
- Approximately 2000 lecture hours delivered (as of 6/2021)

Audio-Visual Coordinator (2008-2010)

Registrar (2007- 2009)

Chief Clinical Officer (CCO), Plasticity Management Services, Parker, CO

JANUARY 2021 – OCTOBER 2021

- Focus on current and future service design, implementation, and execution
- Ensure all center's clinicians are properly trained and adhere to strict clinical protocols and standards
- Develop and implement EMR and algorithm to maximize consistent results
- Determine appropriate clinical treatment plans for clients across the entirety of our provided service offerings (cross-functionality)
- Manage all research efforts
- Define and lead our clinical voice of the company (presentations/papers/videos/etc).
- Define the clinical protocol across service lines
- Create training courses (in conjunction with Carrick Institute) to utilize across entire network.

Co-Founder and Investor, TBIC, Inc (d/b/a "Plasticity Centers"), Orlando, FL

AUGUST 2015 – PRESENT

- Developed a scale-able, successful clinical model for treating patients with neurological disorders
- Developed a clinical workflow for processing patient scheduling, intakes, paperwork, payments, treatment, discharge, and follow-up care.
- Maintained outstanding clinical outcomes
- Trained clinicians and therapy assistants to deliver treatments
- Consulting with the other founders and board members on strategic direction of the company

President, Plasticity Brain Centers of Orlando, LLC, Orlando, FL

JULY 2015 – MARCH 2022

- Develop, communicate, and implement the corporation's strategic initiatives and overall direction
- Manage and evaluate the performance of all company employees

- Ensure the company's philosophies and guidelines are understood and carried out
- Oversee all financials
- Develop internal and external opportunities for expansion, patients, markets, and industry development
- Deliver strategic leadership by working with and serving on the Board of Directors
- Patient management and delivering patient care

Co-Founder, TBIC, Inc (d.b.a. "Plasticity Centers"), Dallas, TX

FEBRUARY 2015 – PRESENT

- Provide funding and strategic direction to the growth, systemization, culture, and expansion of the company

Staff Neurologist, Carrick Brain Centers of Atlanta, Marietta, GA

AUGUST 2013 – APRIL 2014

- First staff clinician to be hired
- Managed a team of 2 therapy assistants/ interns
- Managed complex neurological conditions from around the world
- Served as first-assist to Professor Frederick R. Carrick
- Highest volume full-time provider at this facility, managing on average 60 patients per month (approx. 720 total)

Staff Neurologist, LIFE Functional Neurology Center, Marietta, GA

AUGUST 2012 – JUNE 2013

- Developed innovative treatment strategies utilizing the world's first therapeutic Off-Vertical Axis Rotational Device (OVARD)
- Highest volume practitioner in practice
- Managed approximately 850 complex neurological disorders from around the world
- Managed a team of 2 other staff members and various interns
- Served as the first assist to Professor Frederick R. Carrick

Founder and President, NeuroLogic Integrated Health, Inc., Mount Pleasant, SC

DECEMBER 2009 – AUGUST 2012

- **Active Practice:** Successfully managed the care of approximately 650 patients with various neurological, developmental, immune, endocrine, neuropsychiatric, and musculoskeletal conditions
- Directed a clinical team consisting of a psychiatrist, 2 chiropractors, a behavioral therapist, and a chiropractic intern
- Provided oversight to all daily operations, finances, marketing, business development, and community outreach

Chiropractic Assistant, Atlas Chiropractic, East Haven, CT

AUGUST 2004 – OCTOBER 2005

- Deliver therapies under supervision
- Assist with examinations
- Assist in the setup and develop radiographs
- Assist with insurance billing
- Assist with patient schedules

Co-Founder, Nightlife Entertainment, Inc, Shelton, CT

FEBRUARY 2002 – JANUARY 2005

- Hosted and promoted entertainment events at various venues
- Directed a team of 11 promotional employees, 5 DJs, 12 bartenders, 20 security personnel
- Hosted over 250 events per year

Co-Founder, Cloud 9 Graphics and Printing, Shelton, CT

JANUARY 2002 – JANUARY 2005

- Performed graphic design work
- Worked with a team of 3 graphic designers
- Contracted with affiliate offset printing firms in New York City
- Silk-Screen printing

- Embroidering

Owner and Operator, We Cut Grass, LLC, North Haven, CT

APRIL 2002 – OCTOBER 2004

- Owned and operated a single-service lawn maintenance business
- Directed 5 employees
- Managed 70 accounts

Education

B.S. (Biology), Excelsior College, Albany, NY

APRIL 2015 – SEPTEMBER 2015

After graduating and practicing for 6 years, I elected to complete my remaining 2 classes online to confer a Bachelor of Science (B.S.) Degree

D.C. (Doctorate of Chiropractic), Life University College of Chiropractic, Marietta, GA

JANUARY 2006 – DECEMBER 2009

Earned Doctorate degree in Chiropractic. While enrolled, I attended Pettibon Club, Full Spine Club, Chiropractic Biophysics (CBP) Club [Advanced Certified], Life Neurology Club, Life University's Club for Advanced Neurological Studies (LUCANS). I was inducted to the Presidential Leadership Institute.

Multiple Studies, Central Connecticut State

SEPTEMBER 2002 – JUNE 2005

Full academic scholarship, in their honors program.

- Graphic Design
- Communications
- Biology
- Entrepreneurship
- Pre-Medicine

I left CCSU before obtaining a Bachelor's degree, to pursue my chiropractic education. I later completed my remaining 2 classes to obtain my B.S. degree (2015) from Excelsior College.

High School Diploma, Xavier High School, Middletown, CT

SEPTEMBER 1997 – JUNE 2001

Team Sports

- Baseball (Freshman)
- Sailing (Sophomore-Junior)

Intramural Sports

- Basketball
- Wrestling
- Skiing
- Cross-Country

Clubs

- Debate
- Student Government

Lectures/ Courses

A Functional Neurological Approach to Stroke Rehabilitation Workshop (1-hr)

- 2017.07: Osceola Regional Medical Center: Stroke Support Group; Kissimmee, FL
- 2017.04: Plasticity Brain Centers: NeuroSynergy Public Workshop; Orlando, FL

Applying Neuroscience in Clinical Practice Plenary Presentation and Workshop (15-min/ 8-hrs)

- 2015.05: European Chiropractic Union/ World Federation Of Chiropractic (Plenary Presentation); Athens, Greece
- 2015.05: European Chiropractic Union/ World Federation Of Chiropractic (8-hour Workshop); Athens, Greece

Assessing the Human Nervous System Workshop (2-hr)

- 2016.10: World Federation of Chiropractic/ Canadian Chiropractic Association; Montreal, Canada

Assessment and Treatment of Parkinson's Disease Workshop (1-hr)

- 2017.03: British Chiropractic Association; London, UK
- 2016.01: Plasticity Brain Centers: NeuroSynergy Public Workshop; Orlando, FL

Assessment of Primitive/Retained Reflexes Workshop (1-hr)

- 2016.12: Plasticity Brain Centers: NeuroSynergy Public Workshop; Orlando, FL
- 2016.10: World Federation of Chiropractic/ Canadian Chiropractic Association; Montreal, Canada

Cerebellar Function and Pathology Course (15-hrs)

- 2015.02: Carrick Institute for Graduate Studies; Montreal, Canada
- 2014.12: Carrick Institute for Graduate Studies; Orlando, FL
- 2014.11: Carrick Institute for Graduate Studies; Los Angeles, CA
- 2013.12: Carrick Institute for Graduate Studies; Atlanta, GA

Certification Standards in Chiropractic Specialties Keynote Presentation (30-min)

- 2017.05: Federation of Chiropractic Licensing Boards; Orlando, FL

Chiropractic Management of Rest-Resistant Concussion

Workshop/Plenary (1-hr and 2-hr)

- 2020.12: The III National Congress of Sports Medicine FEMMEDE 2020 (Mexican Federation of Sports Medicine): León Guanajuato, MX
- 2017.03: FICS (International Federation of Sports Chiropractic); Washington DC, USA
- 2017.02: Central Florida Case Managers Association; Winter Park, FL
- 2016.11: Plasticity Brain Centers: NeuroSynergy Workshop; Orlando, FL
- 2016.06: Florida Chiropractic Association: SE Convention; Miami, FL
- 2016.05: European Chiropractic Union; Oslo, Norway
- 2016.04: Florida Chiropractic Association: NE Convention; Jacksonville, FL
- 2016.02: Florida Chiropractic Association: NW Convention; Panama City Beach, FL
- 2015.12: Florida Chiropractic Association: SW Convention; Naples, FL
- 2015.10: Canadian Chiropractic Association: Annual Convention; Niagara Falls, ON
- 2015.08: Florida Chiropractic Association: The National; Orlando, FL

Chiropractic Participation in Olympic Sports Panel Discussion

- 2020.12: The III National Congress of Sports Medicine FEMMEDE 2020 (Mexican Federation of Sports Medicine): León Guanajuato, MX

Clinical Applications of Joint Manipulation Course (8-hr/15-hr)

- 2017.06: Carrick Institute (co-taught with Professor Frederick R. Carrick); Atlanta, GA
- 2015.05: Carrick Institute (co-taught with Professor Adam Klotzek); Newark, NJ

Clinical Applications of Neurology for the Cervical Spine Workshop (1-hr)

- 2017.05: American Chiropractic Association; Tele-conference

Clinical Neuroscience for Practicing Chiropractors Course (8-hr)

- 2016.05: World Federation Of Chiropractic/ Eastern Mediterranean Middle East Chiropractic Federation; Dubai, UAE

- 2016.05: The Chiropractic Association (Singapore); Singapore, Malaysia

Concussion Baseline Testing Course (1-hr/4-hr/8-hr)

- 2021.08: Florida Chiropractic Association: The National; Orlando, FL
- 2021.07: Florida High School Athletic Association, Sports Medicine Advisory Council (FHSA-SMAC); Online

Concussions in Hockey Podcast Interview

- 2015.11: Hockey Talk Podcast; Online

Correlates of Ocular Cyclodeviation, Vestibular Aberrancy, and Altered Spatial Awareness

2022.05: The 19th Congress of the Society of Brain Mapping and Therapeutics: Optometry Session

Cranial Nerves: Assessment and Function Course (15-hr)

- 2014.04: Carrick Institute for Graduate Studies; Atlanta, GA

Dangers of Excessive Screen Time in Children Keynote (20-min)

- 2021.08: Florida Chiropractic Association: The National (Medical Errors); Orlando, FL

Documenting Neurological Integrity Course (2-hr)

- 2020.11: Florida Chiropractic Association: The National; Orlando, FL (Documentation Course for Licensure)

Expanding Your Practice With Florida Rules and Regulations Plenary Panel (15-min)

- 2018.03: Florida Chiropractic Association: Last Minute CE; Orlando, FL
- 2017.12: Florida Chiropractic Association: SW Convention; Fort Myers, FL
- 2017.02: Florida Chiropractic Association: NW Convention; Panama City, FL
- 2016.08: Florida Chiropractic Association: THE NATIONAL; Orlando, FL
- 2016.11: Florida Chiropractic Association: SW Convention; Naples, FL
- 2016.06: Florida Chiropractic Association: SE Convention; Miami, FL
- 2016.04: Florida Chiropractic Association: NE Convention; Jacksonville, FL
- 2016.02: Florida Chiropractic Association: NW Convention; Panama City Beach, FL
- 2015.12: Florida Chiropractic Association: SW Convention; Naples, FL

Grand Rounds Case Review Course (2-hr)

- 2018.02: Carrick Institute Case Review 14; Cape Canaveral, FL
- 2018.01: Carrick Institute Case Review 13; Cape Canaveral, FL
- 2017.11: Carrick Institute Case Review 12; Cape Canaveral, FL
- 2017.10: Carrick Institute Case Review 11; Cape Canaveral, FL
- 2017.09: Carrick Institute Case Review 10; Cape Canaveral, FL
- 2017.08: Carrick Institute Case Review 9; Cape Canaveral, FL
- 2017.07: Carrick Institute Case Review 8; Cape Canaveral, FL
- 2017.05: Carrick Institute Case Review 7; Cape Canaveral, FL
- 2017.04: Carrick Institute Case Review 6: Patient Struck By Lightning; Cape Canaveral, FL
- 2017.03: Carrick Institute Case Review 5: Post Concussion Syndrome; Cape Canaveral, FL
- 2017.02: Carrick Institute Case Review 4: Ataxia; Cape Canaveral, FL
- 2017.02: Florida Chiropractic Association: NW Convention Grand Rounds; Panama City, FL
- 2017.01: Carrick Institute Case Review 3: Traumatic Brain Injury; Cape Canaveral, FL
- 2016.12: Carrick Institute Case Review 2: Central Maintained Vestibular Syndrome; Cape Canaveral, FL
- 2016.11: Carrick Institute Case Review 1: Central Vascular Claudication Syndrome; Cape Canaveral, FL
- 2016.11: Florida Chiropractic Association: SW Convention; Naples, FL
- 2016.05: European Chiropractic Union Grand Rounds: Patient Case; Oslo, Norway

Grand Rounds Patient Examinations Clinical (5 Days)

- 2016.04: 21 Patients; Geneva, Switzerland
- 2015.09: 39 Patients; Fribourg, Switzerland

Headache and Migraine Solutions Course (2-hr)

- 2017.03: North Carolina Board of Examiners Sponsored CE; Asheville, NC
- 2016.03: Plasticity Brain Centers: NeuroSynergy Workshop; Orlando, FL

Heads-Up on Concussion: 6 Concussion Subtypes Workshop (90 min)

- 2019.03: World Federation of Chiropractic and European Chiropractic Union Convention; Berlin, Germany

Human Performance Optimization: A Primer Course (2 hr)

2016.01: The Parker Experience 2016: Las Vegas, NV

2014.10: International Symposium on Clinical Neuroscience (ISCN2014): Orlando, FL

Identification and Management of Sports Related Concussion Plenary (1 hr)

- 2020.12: The III National Congress of Sports Medicine FEMMEDE 2020 (Mexican Federation of Sports Medicine): León Guanajuato, MX
- 2021.03: The Second Annual Society for NeuroSports Convention: Deerfield Beach, FL

Implementing Cognitive Assessment in a Neurological Practice (1 hr)

- 2018.05: International Symposium on Clinical Neuroscience; Orlando, FL

Interactive Metronome Certification Course Course (15-hour)

- 2015.10: Carrick Institute for Graduate Studies: London, UK

Integrating Chiropractic Into Mainstream Medicine Panelist (15 min)

- 2018.12: Florida Chiropractic Association: SW Convention; Naples, FL
- 2018.03: Florida Chiropractic Association: Last Minute CE; Orlando, FL
- 2017.12: Florida Chiropractic Association: SW Convention; Fort Myers, FL
- 2017.08: Florida Chiropractic Association: National Convention; Orlando, FL

Introduction to Functional Neurology Course (30-min/8-hr)

- 2020.09: World Federation of Chiropractic; ONLINE
- 2015.05: European Chiropractic Union/ World Federation Of Chiropractic; Athens, Greece

Introduction to Movement Disorders Course (15-hr)

- 2015.01: Carrick Institute for Graduate Studies; Harrisburg, PA
- 2014.07: Carrick Institute for Graduate Studies; Atlanta, GA
- 2013.04: Carrick Institute for Graduate Studies; San Francisco, CA

Introduction to ReceptorBased® Essentials Workshop/Course (90-min/3-hr/6-hr/8-hr)

- 2021.08: Florida Chiropractic Association: National Convention; Orlando, FL
- 2021.04: University of Western States: Neurology Club; Portland, OR (Virtual)
- 2020.03: Florida Chiropractic Association: Last Minute CE; Orlando, FL
- 2020.01: CalChiro Convention; Palm Springs, CA
- 2020.01: Northwestern Health Science University: Neurology Club; Minneapolis, MN
- 2019.06: Florida Chiropractic Association: SE Convention; Miami, FL
- 2019.05: Oslo Chiropractic Symposium 2019; Oslo, Norway
- 2019.05: Association of New Jersey Chiropractors 2019 Summit; New Brunswick, NJ
- 2018.12: Florida Chiropractic Association: SW Convention; Naples, FL
- 2018.09: University of Central Florida: Multi-Discipline Neuroscience Alliance Club; Orlando, FL
- 2018.08: Florida Chiropractic Association: National Convention; Orlando, FL
- 2018.06: Florida Chiropractic Association: SE Convention; Boca Raton, FL
- 2018.06: Carrick Institute: Neurology at Sea; Oasis of the Seas (Royal Caribbean)

- 2018.04: Canadian Chiropractic Association; Calgary, Canada
- 2018.04: Florida Chiropractic Association: NE Convention; Jacksonville, FL
- 2018.03: Florida Chiropractic Association: Last Minute CE; Orlando, FL
- 2017.12: Florida Chiropractic Association: SW Convention; Fort Myers, FL
- 2017.09: Florida Chiropractic Association: SE Convention; Miami, FL
- 2017.08: Florida Chiropractic Association: National Convention; Orlando, FL
- 2017.08: Palmer Chiropractic/Functional Neurology Club, Port Orange, FL
- 2017.04: Carrick Institute; Oslo, Norway
- 2017.03: Florida Chiropractic Association: NE Convention; Jacksonville, FL
- 2017.03: World Federation of Chiropractic/ American Chiropractic Association: Washington DC
- 2017.02: Florida Chiropractic Association: NW Convention; Panama City, FL
- 2016.11: Florida Chiropractic Association: SW Convention; Naples, FL
- 2016.10: Florida Chiropractic Association: THE NATIONAL; Orlando, FL
- 2016.10: World Federation of Chiropractic/ Canadian Chiropractic Association; Montreal, Canada

Introduction to Vestibular Rehabilitation Workshop (2-hr)

- 2017.10: ACASC (ACA Sports Council); Denver, CO
- 2017.03: British Chiropractic Association: 2017 Annual Convention; London, UK
- 2016.06: Florida Chiropractic Association: SE Convention; Miami, FL
- 2016.02: Florida Chiropractic Association: NW Convention; Panama City Beach, FL
- 2015.12: Florida Chiropractic Association: SW Convention; Naples, FL
- 2015.08: Florida Chiropractic Association: The National; Orlando, FL

Lifting the Lid: Expanding the Chiropractor's Toolbox Plenary (1 hr)

- 2017.03: British Chiropractic Association: Annual Convention; London, UK

Lobes of the Brain Course (15-hr)

- 2015.01: Carrick Institute for Graduate Studies; Orlando, FL
- 2014.04: Carrick Institute for Graduate Studies; Minneapolis, MN
- 2014.03: Carrick Institute for Graduate Studies; Atlanta, GA

Neurological Applications of Sensory Entrainment Course (15-hr)

- 2015.08: Carrick Institute for Graduate Studies; London, UK

Neurological Diagnosis Course (15-hr)

- 2014.06: Carrick Institute for Graduate Studies; Atlanta, GA
- 2013.09: Carrick Institute for Graduate Studies; Portland, OR

Neurological Examination Course (15-hr)

2015.02: Carrick Institute for Graduate Studies; Orlando, FL

2013.07: Carrick Institute for Graduate Studies; San Francisco, CA

Neurology of Joint Manipulation Course (1-hr/2-hr)

- 2021.09: Connecticut Chiropractic Council's 2021 Xtravaganza: Ledyard, CT
- 2017.07: World Congress of Chiropractic Students (WCCS): San Francisco, CA

Neurology Board Review Course (25-hr)

- 2018.08: Carrick Institute for Graduate Studies; Cape Canaveral, FL
- 2017.08: Carrick Institute for Graduate Studies; Cape Canaveral, FL
- 2016.07: Carrick Institute for Graduate Studies; Cape Canaveral, FL

Neuron Theory and ReceptorBased® Applications Course (15-hr)

- 2016.03: Carrick Institute for Graduate Studies; ONLINE
- 2015.06: Carrick Institute for Graduate Studies; Newark, NJ
- 2014.11: Carrick Institute for Graduate Studies; Orlando, FL
- 2014.10: Carrick Institute for Graduate Studies; Montreal, Ontario
- 2014.08: Carrick Institute for Graduate Studies; Los Angeles, CA
- 2013.10: Carrick Institute for Graduate Studies; Atlanta, GA

NeuroPerformance Bootcamp

- 2022.01: Winter in the Desert, California Chiropractic Association; Palm Desert, CA
- 2022.04: (Private Course) Seattle Seahawks; Renton, WA

New Technologies in Assessment and Management of Rest-Resistant Concussion Plenary Presentation (1-hr)

- 2016.04: Allegheny Health Network & Trinity Sports Medicine Annual Conference; Franklin, PA

Philosophical Perspectives of Chiropractic: The Neurologist Plenary Presentation (15-min)

- 2017.03: World Federation of Chiropractic/ American Chiropractic Association Conference; Washington DC

Physical Examination Course (15-hour)

- 2013.01: Carrick Institute for Graduate Studies; Los Angeles, CA

The Plasticity Approach to Non-Neurotypical Children Workshop (2-hour)

- 2019.10: University of Central Florida- APPA Club; Orlando, FL

RBE1: Foundational Concepts in Clinical Neuroscience Course (15-hour/25-hour)

- 2019.10: Carrick Institute for Graduate Studies, Cape Canaveral, FL
- 2019.09: Carrick Institute for Graduate Studies, Oslo, Norway
- 2019.04: Carrick Institute for Graduate Studies, Toronto, ON, Canada
- 2019.02: Carrick Institute for Graduate Studies, Chicago, IL
- 2019.02: Carrick Institute for Graduate Studies, Vancouver, BC, Canada
- 2018.11: Carrick Institute for Graduate Studies, Amsterdam, Netherlands
- 2018.09: Carrick Institute for Graduate Studies, Cape Canaveral, FL

RBE2: Harnessing Receptor Systems Course (15-hour/25-hour)

- 2019.11: Carrick Institute for Graduate Studies, Oslo, Norway
- 2019.11: Carrick Institute for Graduate Studies, San Francisco, CA
- 2019.06: Carrick Institute for Graduate Studies, Toronto, ON, Canada
- 2019.01: Carrick Institute for Graduate Studies, Amsterdam, Netherlands
- 2018.11: Carrick Institute for Graduate Studies, Cape Canaveral, FL

RBE3: Autonomics: Fuel, Flow, Function Course (15-hour)

- 2020.02: Carrick Institute for Graduate Studies, Orlando, FL
- 2019.03: Carrick Institute for Graduate Studies, Amsterdam, Netherlands
- 2018.12: Carrick Institute for Graduate Studies, Cape Canaveral, FL

RBE4: Reflex, Motor, and Cognition Course (15-hour)

2020.01: Carrick Institute for Graduate Studies, Oslo, Norway

2019.01: Carrick Institute for Graduate Studies, Cape Canaveral, FL

RBE5: RBE In Action

- 2020.01: Carrick Institute for Graduate Studies, Oslo, Norway
- 2019.03: Carrick Institute for Graduate Studies, Cape Canaveral, FL

ReceptorBased Essentials (32-hours)

2022.04: The Carrick Institute; Cape Canaveral, FL- LIVE and RECORDED

Reducing Medical Errors: Chiropractic's Role in the Opioid Epidemic Panel (15 min)

- 2018.08: 73rd WCI Educational Conference - Chiropractic Panel; Orlando, FL
- 2018.08: Florida Chiropractic Association: National Convention; Orlando, FL
- 2017.08: Florida Chiropractic Association: National Convention; Orlando, FL
- 2017.06: Florida Chiropractic Association: SE Convention; Miami, FL
- 2017.03: Florida Chiropractic Association: NE Convention; Jacksonville, FL

Reducing Medical Errors: Fall Prevention Panel (15 min)

- 2020.11: Florida Chiropractic Association: National Convention; Orlando, FL

Shining Light on TBI: Transcranial Photobiomodulation (40-min/ 90-min)

- 2019.03: World Federation of Chiropractic and European Chiropractic Union Convention; Berlin, Germany
- 2019.03: University of Central Florida- APPA Club; Orlando, FL
- 2018.05: International Symposium for Clinical Neuroscience; Orlando, FL

Sports Performance Enhancement after Concussion Plenary Presentation (40-min)

- 2015.12: International Symposium on Clinical Neuroscience (ISCN2015); Orlando, FL

The Brain's Role in Spinal Integrity Workshop (2-hr)

- 2017.12: Florida Chiropractic Association: SW Convention; Fort Myers, FL
- 2017.08: Florida Chiropractic Association: National Convention; Orlando, FL

The Care Continuum for TBI Patients Presentation (1-hr)

- 2017.05: Orlando Case Manager Association; Winter Park, FL

The Current State of Chiropractic Research: Neurology Teleconference (1-hr)

- 2017.10: SACA Specialties Council Meeting

The G-Factor of Intelligence Plenary (1 hr)

- 2017.02: International Symposium on Clinical Neuroscience (ISCN2015); Orlando, FL

The Neurology of Decision Making (Ethics) (15-min)

- 2018.03: Florida Chiropractic Association: Last Minute CE; Orlando, FL

Tools, Technology, and Therapies for Brain Rehabilitation Workshop (1-hr)

- 2017.01: Brain Injury Association of America (Florida Chapter); Orlando, FL

The Neurophysiology of Alcohol Intoxication Workshop (4-hr)

- 2014.07: CraniumRock 2014; Punta Cana, DR

The Third Dimension of Vestibular Rehabilitation: Roll Lecture (1-Hr)

- 2021.08: University of Central Florida (BME6935 - Biomedical Engineering Master's Course); Orlando, FL
- 2020.11: Synapse Sessions 2020 by The Carrick Institute; ONLINE

Publications

Case Series Abstract, Neurology

Kenneth Jay, Antonucci MM (2020). Symptom amelioration in 798 patients with complex neurological disorders following a 5-day intensive multimodal neurorehabilitation program: Chart review. American Academy of Neurology 2021; Annual Meeting conference abstract: Submitted Oct 2020. DOI: Not assigned.

Case Series Abstract, Neurology

Kenneth Jay, Barton D, Antonucci MM (2020). Relationship between a single quality-of-life question score and Graded Symptom Checklist score in 350 people with a diagnosed concussion: A chart review study. Neurology Nov 2020, 95 (20 Supplement 1) S8-S9; DOI: 10.1212/01.wnl.0000719944.25457.d8

Case Study Abstract, Neurology

Kalambaheti E, Cozart M, Kornfeld S, Antonucci MM (2020). Improvements in Cognition and Balance Following Neurological Rehabilitation for a 23-year-old Male with Post Concussive Syndrome and Subsequent Minor Head Traumas. Neurology Nov 2020, 95 (20 Supplement 1) S9; DOI: 10.1212/01.wnl.0000719948.11126.83

Case Study Abstract, Neurology

Forrester B, Kalambaheti E, Cozart M, Antonucci MM (2020). Improvements in Cognition, Graded Symptom Checklist Score, Balance and Memory Following Neurological Rehabilitation for a 58-year-old Male Patient with Post-Concussion

Syndrome: Case Report. *Neurology* Nov 2020, 95 (20 Supplement 1) S10; DOI: 10.1212/01.wnl.0000719956.59037.e1

Case Series Abstract, Neurology

Kenneth Jay, Barton D, Antonucci M (2020). Neurocognitive measures and self-reported symptoms following a short intensive multimodal neurorehabilitation program in individuals with post-concussion syndrome: Retrospective case-series study. *Neurology* Nov 2020, 95 (20 Supplement 1) S6; DOI: 10.1212/01.wnl.0000719916.93763.37

Case Report Abstract, Frontiers in Neurology

Kalambaheti ER, Manno M and Antonucci MM (2018). Improvements in Cognition and Processing Speed Following Neurological Rehabilitation for a 49-year-old Female Patient with Post Concussive Syndrome. *Front. Neurol.* Conference Abstract: International Symposium on Clinical Neuroscience 2018. doi: 10.3389/conf.fneur.2018.60.00013

Case Report Abstract, Frontiers in Neurology

Kalambaheti ER, Manno M and Antonucci MM (2018). Improvements in Processing Speed, Stability Score, and a Decrease in Symptom Severity Score Following Neurological Rehabilitation for a 43-year-old Female Patient with Post Concussive Syndrome and a Centrally Maintained Vestibulopathy. *Front. Neurol.* Conference Abstract: International Symposium on Clinical Neuroscience 2018. doi: 10.3389/conf.fneur.2018.60.00030

Case Series Abstract, Frontiers in Neurology

Kalambaheti ER, Manno M and Antonucci MM (2018). Increase in Quantity of Purposeful Fast Eye Movements in Children with Anoxic Brain Injury/Hypoxic Ischemic Encephalopathy Following Neurological Rehabilitation. *Front. Neurol.* Conference Abstract: International Symposium on Clinical Neuroscience 2018. doi: 10.3389/conf.fneur.2018.60.00029

Case Report Abstract, Frontiers in Neurology

Kalambaheti ER, Antonucci MM, Link PE, Cozart M and Greenwell M (2018). Improvements in Average Stability Score, and a Decrease in Subjective Balance Issues Following Neurological Rehabilitation for a 62-year-old Male Patient with Parkinson's Disease. *Front. Neurol.* Conference Abstract: International Symposium on Clinical Neuroscience 2018. doi: 10.3389/conf.fneur.2018.60.00014

Case Report Abstract, Frontiers in Neurology

Kalambaheti ER, Antonucci MM, Greenwell M and Cozart M (2018). Improvements in Processing Speed, King Devick Test Time, Fluid Cognitive Abilities, Stability Scores and a Decrease in Symptom Severity Scores Following Neurological Rehabilitation for a 53-year-old Female Patient with Post-Concussive Syndrome with Centrally Maintained Vestibulopathy. *Front. Neurol.* Conference Abstract: International Symposium on Clinical Neuroscience 2018. doi: 10.3389/conf.fneur.2018.60.00061

Case Series Abstract, Frontiers in Neurology

Kalambaheti ER, Manno MM and Antonucci MM (2018). Case Series on Neurological Rehabilitation in Patients with Relapsing-Remitting Multiple Sclerosis. *Front. Neurol.* Conference Abstract: International Symposium on Clinical Neuroscience 2018. doi: 10.3389/conf.fneur.2018.60.00004

Editorial Contribution, Frontiers in Neurology

Gulde P, Leippold K, Kohl S, Grimmer T, Diehl-Schmid J, Armstrong A and Hermsdörfer J (2018) Step by Step: Kinematics of the Reciprocal Trail Making Task Predict Slowness of Activities of Daily Living Performance in Alzheimer's Disease. *Front. Neurol.* 9:140. doi: 10.3389/fneur.2018.00140

Case Report Abstract, Frontiers in Neurology

Kalambaheti ER, Manno M, Antonucci MM and Cozart M (2018). Improvements in Compulsivity, Graded Symptom Checklist Score, Stability Scores, and Oculomotor Function after Neurological Rehabilitation for a 13-year-old Male Patient with

Autism Spectrum Disorder with Echolalia and Attention Deficit/Hyperactivity Disorder. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience 2018*. doi: 10.3389/conf.fneur.2018.60.00017

Original Research, Frontiers in Neurology

Carrick FR, Clark JF, Pagnacco G, Antonucci MM, Hankir A, Zaman R and Oggero E (2017) Head-Eye Vestibular Motion Therapy Affects the Mental and Physical Health of Severe Chronic Post-Concussion Patients. *Front. Neurol.* 8:414. doi: 10.3389/fneur.2017.00414 URL: <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC5572417/>

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Link PE, Barton DA and Carrick FR (2016). Improvement in symptom severity, cognitive assessment, and choice reaction time in a college professor with post-concussive syndrome. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00095

Case Report Abstract, Frontiers in Neurology

Antonucci MM and Carrick FR (2016). Improvement in symptom severity, processing speed and visual acuity in a patient with a history of multiple concussions and anxiety, with neurological rehabilitation and pulsed magnetic frequency therapy. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00060

Case Report Abstract, Frontiers in Neurology

Antonucci MM and Link PE (2016). Improvements in symptoms, processing speed, reaction time and visual acuity in a college rower with post-concussive syndrome. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00070

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Habanek K and Mullin Elkins L (2016). Resolution of fatigue, hyperacusis and acquired dyslexia using integrated therapies. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00020

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Link PE, Carrick FR and Barton DA (2016). Improvement in symptom severity, cognitive assessment, processing speed, reaction time and visual acuity in a professional hockey player with a prior concussion. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00058

Case Report Abstract, Frontiers in Neurology

Antonucci MM and Carrick FR (2016). Improvement in symptoms and processing speed measurements in a professional hockey player with post-concussive syndrome. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00082

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Jones A and Mullin Elkins L (2016). Improvements in anxiety and cognitive function in a middle-aged female using multimodal neurological rehabilitation. *Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function*. doi: 10.3389/conf.fneur.2016.59.00011

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Link PE, Barton DA and Carrick FR (2016). Improvement of symptoms, balance, and gait in a geriatric male, with a 5-day intensive combination of visual, vestibular, proprioceptive, and non-invasive nerve stimulation.. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00050

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Barton DA, Link PE and Carrick FR (2016). Improvements in balance, vestibular-ocular response, eye-tracking, cognitive processing, pain and range of motion after a 5-day intensive rehabilitation program. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00063

Case Report Abstract, Frontiers in Neurology

Antonucci MM and Link PE (2016). Improvement in symptom severity, processing speed, gait, movement, and visual acuity in a patient with refractory functional neurological/ conversion disorder. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00065

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Husk J and Esposito SE (2016). Multimodal neurorehabilitation of a patient with tinnitus and memory difficulties. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00031

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Barton DA, Link PE and Carrick FR (2016). Improvement in persistent vegetative state of a 4-year-old, 2 years after near-drowning.. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00064

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Link PE, Barton DA and Carrick FR (2016). Improvement in muscle tone, coordination, balance, ocular-motor function, and communication in a 6-year-old male with developmental delays after 5 days of ReceptorBased treatment.. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00067

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Barton DA, Link PE and Carrick FR (2016). Improvement in cognitive assessment, processing speed, and visual acuity in a 10-year-old with Pediatric Autoimmune Neuropsychiatric Disorder After Streptococcus infection (PANDAS) . Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00051

Case Report Abstract, Frontiers in Neurology

Antonucci MM, Barton DA, Link PE and Carrick FR (2016). Cognitive improvement in a 52-year-old female with cognitive decline following a 5-day ReceptorBased treatment.. Front. Neurol. Conference Abstract: International Symposium on Clinical Neuroscience: Clinical Neuroscience for Optimization of Human Function. doi: 10.3389/conf.fneur.2016.59.00036

Awards/Recognition

Prudential Spirit of Community Award (State Honoree), Connecticut

DECEMBER 2000

The Prudential Spirit of Community Awards program is the United States' largest youth recognition program based exclusively on volunteer community service. The program was created in 1995 by Prudential in partnership with the National Association of Secondary School Principals (NASSP) to honor middle level and high school students for outstanding service to others at the local, state, and national level.

Neurology Scholar of the Year, International Association of Functional Neurology and Rehabilitation

OCTOBER 2010

This award is given to a neurology scholar that exhibits extraordinary commitment to their studies and commitment to advancing the practice of functional neurology.

Outstanding Young Business Leader Award, South Carolina Jaycees

JULY 2011

The Outstanding Young Business Leader Award nominees are selected by their peers for their leadership roles and contributions to their community. A Jaycees committee reviews the nominees and selects one awardee per year.
